- When using the Task Management option to search for a financial report, the Award Number was not displayed. N/A was displayed in the Award Number column. This issue has been corrected and the Award Number is visible. [JIRA: GOL-736]

Before:

The screenshot shows the 'Task Management' interface with search criteria set to 'Grants Specialist'. The search results table has three items. The 'Award Number' column for all three items contains 'N/A'. A blue callout box with a red border points to the 'Award Number' column with the text 'Award Number is not displayed'.

REVIEWER CONFLICT OF INTEREST AND CONFIDENTIALITY CERTIFICATION FOR PEER REVIEWERS

1. Confidentiality of Documents and Restriction on Contact

I understand that _____ applications for pn _____ made available to reviewers solely for the purpose of reviewing those applications against the published evaluation criteria for the financial assistance program.

I agree not to discuss the contents of the applications outside the Department during or after the review process, and to discuss the proposals within the Department only with the other reviewers and Department staff members and in the context of, and under the procedures for, application review. I agree to follow the written instructions provided by the Department for the completion of review forms. I agree to retain no copies of documents or parts of documents related to review.

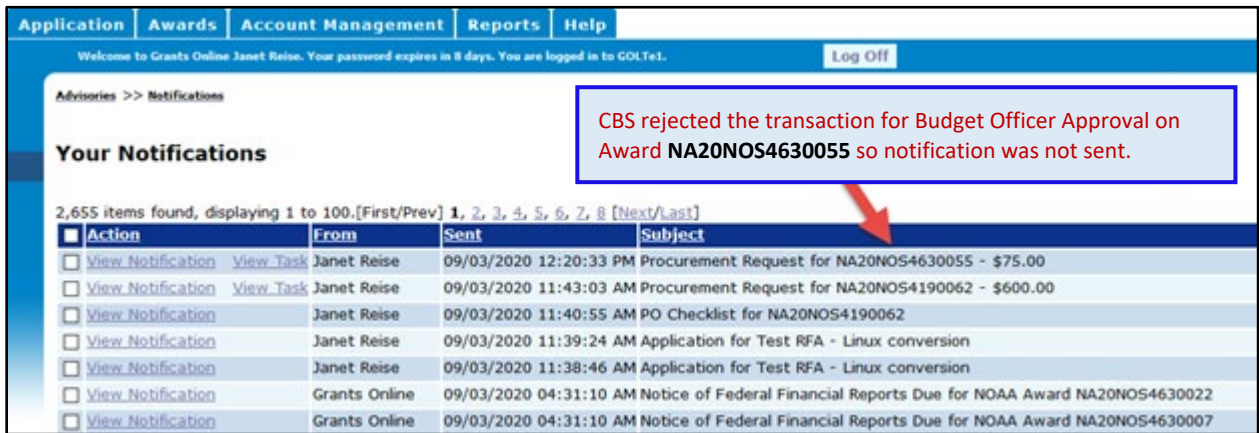

I further agree not to contact the originators of applications being reviewed concerning any aspect of their contents. In addition, I agree not to use any information obtained as result of my participation as a panel member for personal or private gain.

5. The system functionality has been modified so notifications regarding Budget Officer approval are only sent **after** successful completion of a CBS transaction. [JIRA: GOL-1011]

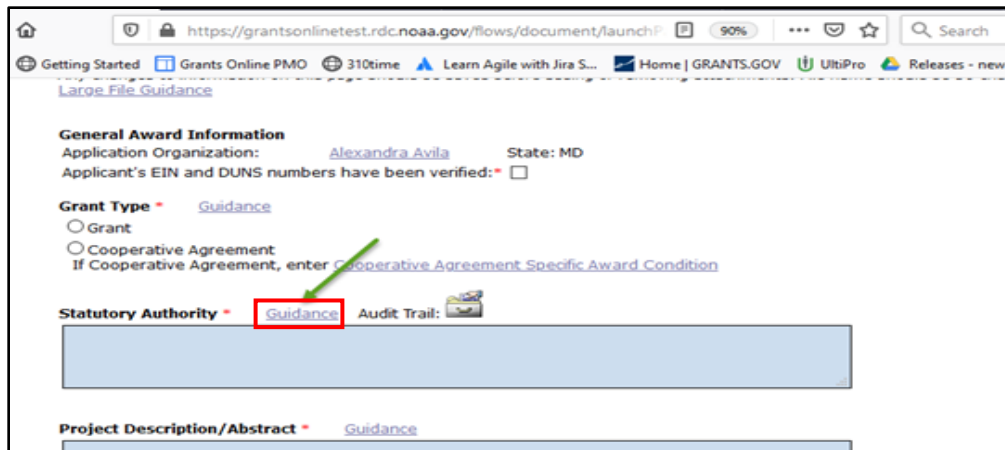

According to the information shown on this screen, the CBS transaction contains an error.

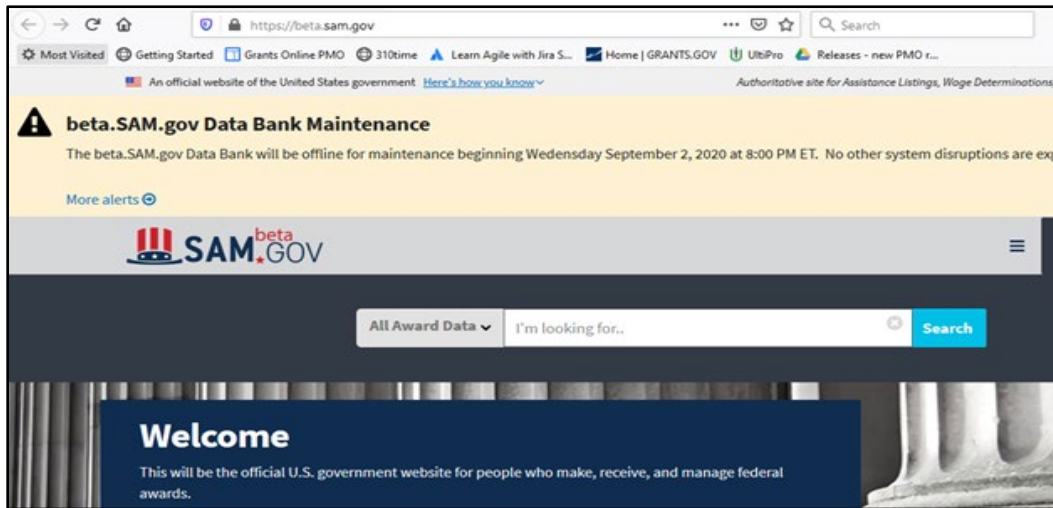

Because of the CBS error (and the rejection of the transaction), a notification is not sent to the Budget Officer.

6. The Guidance link for the Statutory Authority data element used to navigate to CFDA.gov. That website is no longer available. If the Statutory Authority guidance link is clicked, the user is directed to <http://beta.sam.gov>. That is the new location for the Assistance Listings. [JIRA: GOL-1021]

- When completing the EDA-Specific PO Checklist Elements, prior to advancing to the secondary Project Beneficiaries screen, click the **Save** button to ensure the system retains the data already entered. **NOTE:** Portions of the screen are not visible. [JIRA: GOL-1030]

2. The NOAA-centric language on the de-obligation memo has been updated. The updates shown in the screen image below reflect the content of the de-obligation memo for an EDA Award.
 [JIRA: GOL-91]

- a. For all bureaus: Updated the label "MEMORANDUM" to "MEMORANDUM FOR."
- b. For EDA awards, added the phrase "EDA awards are not interfaced with CBS."
- c. For EDA awards, replaced the words "Grants Management Division" with "EDA." For awards from all other bureaus, replaced "The Grants Management Division" with "NOAA Grants Management Division".
- d. Bureau specific de-obligation templates have been added to the system. The user should select the template applicable to his/her bureau for the following workflows: reduction in funding, declined amendment, or financial closeout.

The screenshot shows a de-obligation memo form with the following content and callouts:

- Callout a:** Points to the header "MEMORANDUM FOR:".
- Callout b:** Points to the text "EDA awards are not interfaced with CBS".
- Callout c:** Points to the header "NOAA Finance Office EDA".
- Callout d:** Points to a dropdown menu for "Justification for De-obligation:" which is set to "EDA-Closeout Return Check".
