Subject: Re: thank you for protecting scientific integrity!

Thank you, Sir.
We are proud of our science.

Acting Chief Scientist McLean:

Thank you for acting to maintain scientific integrity and to keep politics out of science at NOAA.

I hope you are able to stay strong in response to the inevitable backlash from those who support President Trump at all costs.

Reasonable Americans, however, greatly appreciate your efforts in light of the attacks taking place, and the dumbing down of science by the president.

Thanks again,
Andy Sloan
