Subject: do the right thing
Importance: High

I rely on NOAA for my safety. You save lives. You are science.

Please, please, do the right thing and stand up to trump. He is not above the law and the American people need to know you aren't going to be bought!

It will be difficult, but the emperor with no clothes must continue to be exposed. You have one chance to be sure this is handled 100% scientifically.

Thank you,

TJ Richardson
